QUALIFICATIONS

The qualifying equipment must be installed in a Arkansas home or business served with natural gas from Arkansas Western Gas Company and must meet the following efficiencies or requirements.

Atmospheric, direct or power vent water heaters

TECHNOLOGY	REBATE AMOUNT
Natural gas storage tank water heater	.62 EF or higher (\$50)
Natural gas tankless water heater	.82 EF or higher (\$300)

Rebate offer applies only to new natural gas water heaters.

Arkansas Western Gas Company uses AHRI (Air Conditioning, Heating & Refrigeration Institute) listings to determine the efficiency of the equipment.

Dealers/Plumbers are not eligible to receive their customer's rebate.

Building contractors should negotiate with homeowners to determine who receives the rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

APPLICATION REQUIREMENTS

The rebate application form must be submitted within 90 days of installation date or postmarked by June 30, 2011 whichever comes first. Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and Energy Factor) and dealer/plumber or retailer information. Arkansas Western Gas Company is unable to accept applications that do not include all this information. A copy of the dated invoice or sales receipt must accompany completed rebate application and must include the following information: brand and complete model number. It is the responsibility of the purchaser to ensure that the installed equipment qualifies for the rebate. If it does not qualify, no rebate will be paid.

Arkansas Western Gas Company reserves the right to inspect the installed equipment.

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. Arkansas Western Gas Company rebate programs may be cancelled or changed at any time.

This program ends June 30, 2011.

Rebates will not be paid if funds are depleted prior to June 30, 2011.

REBATE DETAILS

Rebate amounts will be issued for equipment installed between June 1, 2010 and June 30, 2011 only. Arkansas Western Gas Company issues cash rebates in the form of checks, not utility bill credits. Arkansas Western Gas Company is not responsible if the dealer/plumber or retailer does not provide accurate information about the amount of rebate or equipment eligibility. Rebate checks will be mailed within 4-6 weeks and are paid on a first-come first-served basis.
