HIGH EFFICIENCY HEATING SYSTEM REBATE

QUALIFICATIONS

The qualifying equipment must be installed in a Arkansas home or business served with natural gas from CenterPoint Energy and must meet the following efficiencies.

- Forced air furnaces: 90 to 94.9% AFUE (\$200 rebate)
- Forced air furnaces: 95% AFUE or higher (\$300 rebate)
- Direct vent wall furnace: 80% AFUE or higher (\$200 rebate)
- Hydronic heating systems: 82% AFU or higher (\$300 rebate)

Rebate offer applies only to new natural gas furnaces and hydronic heating systems.

CenterPoint Energy uses AHRI (Air Conditioning, Heating & Refrigeration Institute) listings to determine the efficiency of the equipment.

Heating dealers are not eligible to receive their customer's rebate.

Building contractors should negotiate with homeowners to determine who receives the rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

APPLICATION REQUIREMENTS

The rebate application form must be submitted within 90 days of installation date or postmarked by Dec. 31, 2010 whichever comes first. Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and AFUE rating) and dealer and installer information. CenterPoint Energy is unable to accept applications that do not include all this information. A copy of the dated invoice must accompany the completed rebate application and include the following information: brand, complete model number and serial number. It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the rebate. If it does not qualify, no rebate will be paid.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

This program ends Dec. 31, 2010.

The rebate application form must be postmarked by Dec. 31, 2010 in order to be considered for a rebate. Rebates will not be paid if funds are depleted prior to Dec. 31, 2010.

REBATE DETAILS

Rebate amounts will be issued for equipment installed between Jan. 1, 2010 and Dec. 31, 2010 only. CenterPoint Energy issues cash rebates in the form of checks, not utility bill credits. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate checks will be mailed within 4-6 weeks.
